

Bridge Club of Lexington

On-Line Reservation System

For in-person games beginning July 28, 2021

Purpose: Since re-opening to in person play, several scheduled games have been cancelled due to insufficient players coming to the club to play. This is inconvenient to both the players and the Director who have made the trip, perhaps coming from a considerable distance. You and the Director, need to know that sufficient people will attend the game.

This system provides you with an easy means to indicate ahead of time that you will be playing in a specific game. **If less than three tables have registered by 6:00 PM the day before** The Director will send out an email to the Club's google group **cancelling the game**. Once we have achieved the three-table minimum attendance, players can be assured the game will take place. During the registration process you can see who is already registered. You can register weeks in advance for a game.

Registration is required for the following games so that we know we have enough, (If you decide to come at the last moment and did not receive an email that the game was cancelled, please feel free to do so.):

Tuesday Open 6PM

Thursday 299er 6:00 PM

Wednesday Open 11:30 AM

Saturday 499er 11:30 AM

Thursday 11:30 AM

Sunday Open afternoon

You may register for the Monday, Tuesday and Friday morning games if you wish.

Registering is simple. Go to our Club's website, [LBC Website \(lexingtonbridgeclub.com\)](http://lexingtonbridgeclub.com) and choose the link for Registration. You need to know your ACBL #, your partner's name and the game for which you wish to register. You can create a standing reservation, for example, Tuesday 6PM for the next 1, 2 or 3 months. You can request a N/S or E/W seating, which of course depends upon the game size. (N/S priority continues to be for those with a valid handicapped parking permit.) You can later return and cancel a reservation. Please watch the following two short videos for step-by-step instructions, by clicking on the links that follow.
